A first impression

This traditional townhouse is located in the heart of the charming village of Llubí and offers a living space of approx. 183 m² on a spacious plot of approx. 713 m². Built in 1900 and modernized in 2004, the house is characterized by its well-kept condition and traditional design, which includes typical Mallorcan elements such as terracotta tiles, wooden beamed ceilings and natural stone walls. Upon entering the house, you cross the inviting entrance hall and enter the cozy living room, which is equipped with a fireplace and creates a warm and cozy atmosphere. On this floor there is a modern bathroom and a fully equipped fitted kitchen with breakfast bar, which flows seamlessly into the dining area. Adjacent is another living room, from which you have direct access to the covered terrace, the pool and the lovingly landscaped garden. This outdoor area is remarkable for a townhouse in the center of Llubí. Here you will find an outdoor barbecue with dining area, terraces as well as a well-tended lawn surrounded by shady trees and the pool. On the second floor there are two spacious bedrooms, each with its own en-suite bathroom. One of the bedrooms also offers access to a private terrace overlooking the idyllic garden. The property is equipped with central heating and air conditioning, which ensure a pleasant living climate. The location of the house is ideal for those looking for a quiet life in the village without having to sacrifice proximity to urban amenities. All important facilities such as stores and bars are within easy walking distance. In addition, the house is only about 20 minutes from the nearest beach and about 30 minutes from the airport and the capital Palma. Interested buyers are invited to arrange a viewing appointment to see the many advantages of this property for themselves.
