A first impression

Welcome to Cascina Madergnago, a prestigious vacation complex of only 10 units in a former farmhouse/settlement dating back to the 1700s. Situated in the beautiful surroundings of the Parco Naturale del Monte Corno, quiet yet close to the town. The entire property was completely renovated/refurbished in 2017/2018 and has been operated as a vacation complex with residential use but not as a hotel or guesthouse since 2019/2020. Large, bright rooms, stylish furnishings and original architecture are the special features of this residential complex.
