All about the location

The Cascina Madergnago estate is located in the Parco Naturale del Monte Corno nature park. This park, established in 2006, extends over 514 hectares between Lonato, Desenzano and Lake Garda, on the Gulf of Padenghe. The landscape is characterized by rolling hills, small rural settlements harmoniously blended with forests. Surrounded by vineyards, olive groves and fields with enchanting views of Lake Garda. The park of Monte Corno gives the "Cascina Madergnago" complex a unique and enviable position, ideal for excursions on foot or by bike, directly from the front door and from a refreshing dip in the lake you are only about 400 meters away. The center of Desenzano del Garda, one of the most fascinating places on Lake Garda, is only 800 meters away. Desenzano del Garda, also known as the capital of Lake Garda, is one of the most important towns on the lake. It is located in the south-west of the lake and is easily accessible by plane, train or car. The town covers a fairly large area that includes beaches, parks, a Roman villa and shopping centers. The heart of Desenzano invites you to take romantic walks along the lakeshore. Stroll through the streets of the town center, visit boutiques and perhaps enjoy a delicious ice cream. All in all, Desenzano del Garda offers a mixture of history, nature and relaxation.
