All about the location

Bardolino is one of the most beautiful and well-known resorts on the Veneto shore of Lake Garda. If you want to visit Bardolino and learn about its history and culture, you can spend a day in the picturesque old town. The houses in the historic center of Bardolino, built and inhabited by fishermen, were built in a herringbone pattern, one after the other, starting with the first house on the beach, which today makes the center even more characteristic. Tourists can find equipment in Bardolino for all water sports, sailing, rowing, windsurfing, and for the most relaxing vacation sport: swimming in crystal clear waters and sunbathing on one of the beautiful beaches. Cycling and walking enthusiasts cannot miss the lakefront that connects Bardolino to Lazise with a bicycle and pedestrian path of about 6 km. Local trattorias offer menus based on old recipes with fresh fish from the lake, accompanied by vegetables from the surrounding hills, dressed with local olive oil (the best in Italy, they say) and, above all, drunk with the local wine: the fabulous Bardolino. Also worth a visit is the olive oil museum in nearby Cisano. Hiking and biking enthusiasts should not miss the new Bardolino Trail, a hike through the region's vineyards.
