Subterranean Villa Falcon with Sunset Views in Mykonos Villa Falcon is a remarkable subterranean home under construction in Pouli, Mykonos. Set on a 4,000 sq.m. plot, it offers 700 sq.m. of living space across two beautifully designed levels. The main level includes a spacious living room, dining area, and a sleek, modern kitchen. Outside, a 100 sq.m. pergola creates a perfect setting for outdoor dining and relaxation, complemented by a large infinity pool with stunning views of the sea. This level also houses two expansive master bedrooms, each 50 sq.m. with ensuite bathrooms, and a second infinity pool just outside their doors. A guestroom with its own bathroom, a WC, and a storage room complete this level. The in-cave level adds further luxury with four additional bedrooms, each with its own ensuite bathroom. This level also includes a laundry room, a cellar, a gym, a hammam, and a staff room. Villa Falcon enjoys breathtaking views of the Aegean Sea, magnificent sunsets, and nearby islands like Delos and Tinos. It offers both privacy and easy access to the sea, while being conveniently located just 4 km from Mykonos town and 5 km from the airport. The villa's design effortlessly blends white walls, stone features, and wooden pergolas, integrating it seamlessly with the natural landscape.
