Opalyn Luxurious Maisonette on the Athens Riviera The Opalyn Maisonette offers a luxurious split-level design with expansive, light-filled spaces. Spanning 172 square meters, this first-floor northeast-facing maisonette is crafted to provide a serene and sophisticated living environment. Its double-height living spaces create a spacious, airy atmosphere, accentuated by natural wood finishes that lend warmth and refinement. The large balcony extends the living area outdoors, offering a perfect spot to unwind while overlooking breathtaking views of the park. This A+ energy-efficient building includes sustainable features such as underfloor heating, photovoltaic panels, and thermal insulation, promoting both comfort and eco-conscious living. The maisonette also offers an ev parking space and a storage. Opalyn is ideally situated for access to vibrant urban amenities and the serenity of seaside and park views, making it a luxurious, balanced living choice.
