A first impression

This exclusive 1-bedroom apartment in a historic stucco building from the Art Nouveau period in the leafy Pankow district of Wilhelmsruh offers investors an excellent investment opportunity. The attic apartment was created in 2023 as part of a comprehensive attic conversion and has approx. 40 m² of living space that meets the highest standards. With an achievable rental price of around €18 per m², the property offers an attractive yield option. Upon entering the apartment, you first enter an inviting hallway. From here, the elegant solid oak parquet flooring in a single-strip herringbone pattern leads into the spacious old-style room. The bright kitchenette and the balcony with a view to the west complete the well thought-out floor plan. The apartment combines historic charm with modern fittings, including old Berlin moldings, a gas boiler and insulated double-glazed Velux top-hung windows with external blinds. The building was built in 1910 and has been in the family for over 100 years. Together with the neighboring house, it forms an architectural ensemble of the Art Nouveau period. The restored Art Nouveau façade, a wrought-iron entrance door and the preserved plasterwork emphasize the historic character of the house. The inner courtyard features granite paving, brick edging and a restored Art Nouveau fence, creating a historic atmosphere. Investors benefit from a stylish apartment with historical flair. The high-quality fittings, the modern loft conversion and the sought-after location in the up-and-coming Wilhelmsruh district make this property an interesting investment.

All about the location

Wilhelmsruh, a charming district in the popular residential district of Pankow, impresses with its excellent public transport connections and its idyllic, almost small-town atmosphere. Originally a villa suburb of Berlin, Wilhelmsruh has retained its historic charm despite the many changes of the last hundred years. The mostly two-storey buildings near the old village center reinforce this small-town feel. The 1-bedroom apartment is only about a 7-minute walk from Wilhelmsruh S-Bahn station, from where the S1 to Wannsee and the S26 to Teltow run. From here, you can reach the Friedrichstraße S+U station in just 17 minutes and the Potsdamer Platz S+U station in around 20 minutes. Other transportation hubs such as the Reinickendorf S-Bahn station and the Residenzstraße U-Bahn station are also nearby. Bus routes connect Wilhelmsruh with the Pankow S-Bahn station and the Residenzstraße and Kurt-Schumacher-Platz U-Bahn stations, among others. The surrounding area offers plenty of opportunities for recreation: Lake Wilhelmsruher See, the Garibaldi pond, Schönholzer Heide and Berlin's green belt are all within walking distance and are perfect for relaxing walks. A little further away, the Niederschönhausen Palace Park and the Bürgerpark offer additional recreational opportunities. The infrastructure in Wilhelmsruh is excellent. There are kindergartens, elementary school, numerous shopping facilities as well as a medical and care center and various medical practices in the immediate vicinity. Thanks to the convenient public transport connections, you can quickly reach both the countryside and Berlin city center. The Wilhelmsruh S-Bahn station is around 500 meters away and Friedrichstraße can be reached in around 17 minutes. Bus connections are also within walking distance. Wilhelmsruh thus offers a perfect mix of quiet living and quick access to Berlin's lively city center - a truly liveable district of Berlin-Pankow.
