## Una primera impresión

This charming old building apartment is centrally located in the sought-after district Düsseldorf, popularly known as Zoo-Viertel. It can be reached comfortably via an elevator on the 1st floor of a well-kept apartment building, which was built in 1914. On about 107 m<sup>2</sup> of living space, you can expect stylish and upscale furnishings. Beautiful real wood flooring, floor-to-ceiling windows and modern bathrooms are just a few examples. From the apartment entrance are immediately in the entrance hall, which is equipped with fine marble flooring. Upon entering, you will notice the brightness of this property, which is provided by the many windows and ceiling spots. To the left of the entrance hall you reach the two bedrooms. The larger of the two is currently furnished with a generous bed, a massive wardrobe and a small reading corner. The adjacent bedroom was previously used as a guest room, study and children's room and was furnished accordingly. A high-quality parquet floor gives the bedrooms a homely ambience and the window fronts in each of the two rooms with a view of the Kittelbach provide plenty of brightness. One door further, a small storage room offers additional space to accommodate household appliances. Further along the hallway is the guest toilet with ventilation and a modern bathroom, which are also laid with marble tiles and clad on the walls. The chic bathroom, which is certainly a highlight of this property, has a large bathtub with adjacent shower, a toilet and two side-by-side sinks with a large mirror, which provides ample space for him and her. At the end of the hallway you reach the kitchen on the right. The kitchenette on the left side of the room offers all the necessary kitchen appliances and enough space to prepare food. There is also space for a sitting area and cabinets for temporary storage. A double French door gives access to the first balcony with a beautiful view. In addition, a skylight located above the balcony door brings plenty of sunlight throughout the kitchen. Immediately adjacent to the kitchen is the approx. 30 m<sup>2</sup> living and dining area. Behind the breakthrough in the room, which atmospherically separates the living room from the dining area, there is still enough space to accommodate a generous couch set including other interior furnishings. Floor-to-ceiling windows flood the airy room with plenty of brightness. From here you have direct access to the second balcony, which offers a view into the greenery. Let yourself be convinced by this chic apartment with its excellent location at a personal viewing appointment.
