## Todo sobre la ubicación

Kitzbühel lies at the foot of the Hahnenkamm and the Kitzbüheler Horn and is considered one of the most important winter sports centers in Austria. Together with the ski slopes and lifts in neighboring Kirchberg in Tirol, Jochberg and Pass Thurn, Kitzbühel has one of the largest interconnected ski areas in Austria. In summer, there are over 100 km of mountain bike trails and over 500 km of hiking trails. Other attractions include six tennis courts and four golf courses, the Kitzbühel swimming pool and the famous Schwarzsee lake. Not forgetting, of course, the highlight of the year, the Hahnenkamm race. Kitzbühel is also known as the town of chamois and is of course particularly popular with the jet set.
