This luxurious family house, complete with a south-facing garden, offers over 300 m² (367 m² gross floor area) of elegant living space in the exclusive Oud-Zuid neighborhood. Situated on freehold land in the most sought-after part of the Van Breestraat, this property is just a short walk from everything that makes living in Amsterdam so enjoyable. The ground floor was tastefully modernized in 2019 creating an inviting kitchen area with bi-fold doors that open directly onto the sun-filled garden. Sleek steel interior doors and a cozy fireplace complement the charm of this crucial space. The upper floors have also been refurbished in recent years and two magnificent bathrooms have been added to the top floor as a result of renovations which were completed in 2023. The subsequent changes introduce high-quality modern materials whilst preserving the house's authentic style creating a perfect harmony of classic charm and contemporary living. The current owners have lived happily in this charming, bright family home for many years. It is ideally located near the Vondelpark, the Concertgebouw, and Museumplein, home to some of the city's most prestigious museums. The neighbourhood offers a wide range of excellent (international) schools, boutique shops, and local favorites like the Cornelis Schuytstraat and the Zuidermarket. This property is a true gem in one of the city's most sought-after neighbourhoods.

LAYOUT

Upon entering this exquisite home through the spacious entrance hall you are immediately embraced by the friendly, welcoming ambiance. The hallway features a guest toilet with a sink and custom-built cabinetry offering ample storage space - perfect for coats and sports gear.

Facing the garden you will find the Bulthaup kitchen which opens to the garden through bi-fold doors. Installed in 2019, the kitchen boasts Italian marble countertops, a kitchen island, a BORA cooktop, high-end built-in appliances, a wine climate cabinet, and a Quooker tap. There is ample space for a large dining table and an extremely comfortable seating area encompasses the fireplace and a lounge corner. The ground floor has been completely laid with stunning oak herringbone parquet.

The first floor offers a bright and spacious living room where the feeling of grandeur is emphasized by a ceiling height of 3.48 meters. This space preserves a number of authentic details and is charmingly augmented by a balcony which overlooks the street. The carefully restored stained-glass ensuite doors allow the living space to be divided into different sections and on the garden side of the area there is a delightful open fireplace and space for a large seating area. The entire floor space is again laid with oak herringbone parquet. The landing includes a guest toilet with a sink, and steel interior doors which lead into the living area.

An expansive primary bedroom with ensuite bathroom, walk-in closet and a balcony featuring a custom-made awning is located on the garden side of the second floor. The ensuite bathroom is equipped with a walk-in shower, bathtub and walnut vanity cabinets. On the street side there are two additional bedrooms, currently used as home offices, one of which presents a charming balcony. The entire floor is finished with oak herringbone parquet in a Hungarian point pattern. There is a separate toilet on the landing.

The third floor features three delightful bedrooms and two newly renovated bathrooms (2023)

with walk-in showers. The sunny, garden-facing bedrooms are equipped with air conditioning. A separate toilet is located on the landing and a skylight allows natural light to bathe the entire floor.

Finally, the basement level – accessible from the ground floor hallway – offers generous ceiling height and includes an additional bedroom with a street-side window and bathroom

with shower. There are two separate storage rooms on this level, perfect for a wine cellar and/or home cinema. The laundry area is also conveniently located in the basement.
