## Todo sobre la ubicación

Alcanada or as it is called in Mallorcan Aucanada is a pleasant coastal area situated at the northern end of the bay of Alcudia, in the northeast of Mallorca. It is an ideal place for strolling, bathing or simply sitting by the sea under the shade of the trees. One of the great attractions of Alcanada is its privileged location, which allows us to enjoy the fabulous views of the bay of Alcudia on the one hand and the small island of Alcanada and its lighthouse on the other. The main attraction is the beach of Alcanada, a beautiful pebble beach not very frequented by tourists as it is far from the main hotel areas. However, there is a small village nearby where you will find a supermarket and some restaurants. One of the most special corners of the island Palma de Mallorca.
