## Todo sobre la ubicación

Camp de Mar is located on one of the most beautiful beaches in the south-west of Mallorca. Framed by the hills of the Tramuntana mountains that begin here, the famous golf course 'Golf de Andratx' lies emerald green in the valley lined with well-kept luxury residential complexes and fantastic villas that offer a fantastic view over the bay. The sweeping views of the sea are exquisitely beautiful and offer a box seat to enjoy the sunset. The beach is perfect for families. A small, offshore island can be reached via a wooden bridge and is home to a very popular and excellent restaurant. Above the golf course is a luxurious and modern wellness and golf resort, as well as a very good restaurant with an enchanting view over the green valley. The neighbouring village, Port d'Andratx, is only 10 minutes away by car and is a charming coastal town with its very own flair thanks to the authentic fishing harbour with its many first-class restaurants, boutiques and shops. In the pedestrian zone parallel to the harbour promenade, there are many shops, galleries and cafés with outdoor seating, giving the town an elegant, Mediterranean atmosphere. The luxurious marina in the natural bay offers all kinds of water sports.

## Otros datos

The residential complex has a large communal pool and a beautiful sun terrace. The community is made up of (mostly) German and Spanish owners; some flats are rented out permanently, but most are only used by the owners themselves for their holidays. If you use an estate agent for your property search in Spain, this service is free of commission for you as a buyer! However, always make sure that you only use reputable estate agents who are authorised and based in Mallorca! Incidental purchase costs: The additional purchase costs amount to at least 10% and include the land transfer tax ( $\geq 8\%$ , because it depends on the purchase price), notary fees, public registrations and processing fees of the tax office.
