## Todo sobre la ubicación

This single villa, called "La palafitta", stands on a plot of approx. 3600 m2 directly on the lake, in the most prestigious residential area in the North-East of the municipality of Padenghe. Padenghe sul Garda is located on the shore of Lake Garda in the province of Brescia. The town is perched on a hill in a beautiful scenic area and is part of the Valtenesi, a morphological unit that begins in Portese, near Salò and ends in Desenzano del Garda. The town has a small harbor and a beautiful long pebble beach with some cozy bars. In Padenghe you can find many hotels, bed and breakfasts, residences, holiday apartments and campsites for the many tourists who choose this beautiful area to spend their holidays. The climate is mild and the Mediterranean vegetation is typical of the areas south of Lake Garda. As in many other cities and towns around Lake Garda, the surrounding areas are surrounded by meadows with vineyards, olive groves and cypress trees. Interesting buildings are Villa Barbieri, today the town hall, and the medieval castle, which with its historic crenellated walls surrounds the houses of the village. Above the walls rises the main tower, from which you can enjoy a wonderful view of the lake and the surrounding hills of the Valtenesi. In Padenghe there are several inviting sports activities, from swimming to hiking and mountain biking - for sports enthusiasts there is plenty of choice. Also nearby there is a golf club with several golf courses (Garda Golf, Arzaga Golf).
