Une première impression

Close to nature and yet centrally located, this timelessly furnished 3-room apartment with a large garden terrace impresses with its high quality and its top location right next to the racecourse and Grafenberg Forest. The apartment for sale is located on the garden floor of a well-kept terraced house with 7 residential units, which was built in 1974 based on the plans of the well-known architect Prof. Hecker. You enter the hallway of the apartment via a solid security door and immediately notice the high quality of the property through the Venetian smooth plaster and the Solnhofer natural stone floor. From the hallway, you will find the guest WC with first-class sanitary facilities and a shower on the right. Right next to it is a practical storage room. To the left of the hallway is the first small room, which can be used as a study or guest room. From the hallway on the left, you can also reach the newly fitted, high-quality kitchen, which is open to the living/dining area. The hallway finally leads into the spacious living/dining area, which was renovated in 2017 and remodeled with an open, integrated kitchen concept. Upon entering the living/dining area, the view falls directly into the greenery - thanks to the large window front and access to the idyllic and spacious garden terrace. The living area leads to the bedroom with practical built-in wardrobes and adjoining en suite bathroom, which is timelessly elegant and equipped with a bathtub. The bedroom also has a large window front and thus further access to the terrace. The approx. 60 m² large, dreamlike south-facing terrace is partially covered, equipped with electric awnings across the entire width of the terrace and offers optimal privacy thanks to the newly laid and skillfully planted natural stone wall. The apartment has two separate cellar rooms and an underground parking space (plus €15,000). A laundry/drying room is also available for communal use. The apartment is available for short-term occupancy. Come and see for yourself the advantages of this beautiful garden apartment in an exclusive green location.
