## Détails des commodités

Through the well-kept front garden with bicycle rack you reach the charming family home. The entrance with draught portal, guest toilet and stairs cupboard leads you into the living room. The front part with characteristic bay window is used as living room and the rear part (with extension) as spacious kitchen. Through sliding doors you reach the backyard. The luxury open kitchen with cooking island where you can sit with a gas fireplace for warmth and coziness is equipped with various appliances. The small extension has a back door to the garden and is used as a utility room with a washing machine connection. The deep garden is conveniently located on the sunny south and features a generous garden house (2022) to use as workspace or guest house with harmonica glass front is fully equipped including pantry and bathroom. The storage room in the garden house is also the passage to the back alley.

The second floor has four bedrooms. The bathroom has a shower, bathtub, double sink. Separate toilet and a storage room with also a connection for the washing machine.

Via a vlizo trap you enter the attic floor which currently serves as storage.

A great house on a great location!
