### LAYOUT

The apartment complex has a spacious communal entrance and staircase for every 6 homes, which provides access to the private front door on the 3rd floor.

Firstly, there is a nice hallway with access to a separate toilet, storage space and the living room.

The hall also offers enough space for a wardrobe.

The living room spreads from front to back and receives a lot of light through the windows on both sides. From the seating area, which is located at the rear, you have an unobstructed and green view of spacious Andreasplantsoen.

The neighbors live more than 50 meters away!

The luxurious and generous kitchen, installed in 2015, is equipped with all conceivable appliances such as an induction hob with extractor hood, dishwasher, refrigerator and separate freezer and a built-in coffee machine.

The kitchen features a lot of storage space.

The dining area is located at the front with a beautiful view of the Vondelkerk. An extra third bedroom can even be created here with a simple intervention.

You enter the 4th and top floor of the building via an internal staircase. From a spacious landing there is access to the sunny roof terrace (facing southeast) of 8m<sup>2</sup>, two bedrooms, a laundry room and the bathroom.

The bedrooms are both spacious and offer more than enough space for a large wardrobe.

Due to its location behind the terrace, you will not be bothered by street noise in the front bedroom.

The bathroom, also installed in 2015, has a shower cabin with rain shower, toilet, washbasin with natural stone top, underfloor heating and a design radiator.

The spacious and sunny terrace facing southeast is FANTASTIC! Here you can enjoy the sun and the fantastic unobstructed views all day long.

The complex has a communal, locked bicycle shed and each apartment has a spacious private storage room in the basement.

This storage and bike area is accessible from both the street side and the back.

Behind the building is Andreasplantsoen with play facilities.

The apartment is part of an active and very healthy House Owners' Association. There are ample reserves and a current maintenance plan available, the monthly service costs amount to € 230.62.
