Une première impression

This beautiful detached house in Badia Blava, built in 2001, has been completely renovated and shines in new splendour since its last modernization in 2019. With a generous living space of approx. 184 square meters and a well thought-out room concept on one floor, this house offers maximum comfort and style. The chalet impresses with a total of six rooms, including three bedrooms and two bathrooms, one of which is en suite. The living area impresses with warm vinyl parquet flooring and an inviting fireplace for cozy evenings. The high-quality fitted kitchen leaves nothing to be desired and invites you to cook and enjoy. The well-tended, south-facing garden with a large terrace promises relaxing hours outdoors. A highlight is the private swimming pool, which provides cooling on hot days and can also be used on cooler days thanks to heating. In the adjoining house there is another bedroom with an adjoining sauna where you can relax and unwind. The sauna could be converted into a bathroom, creating a completely separate living area. There is also an outdoor shower next to the house. There are several fruit trees in the garden that are in full bloom. The furniture can be taken over for an extra charge. There is also the possibility of adding another floor upstairs. A virtual viewing is available for this property.
