Une première impression

In the popular seaside resort of Santa Ponsa, just a few steps from the beach and the town center, the new Santa Ponsa Living residential complex is currently under construction. This project consists of a total of 24 spacious and elegant apartments in 3 buildings, each with 4 floors. Thanks to the excellent elevated position, the apartments on the first floor already offer panoramic views of the Santa Ponsa surroundings, the golf courses and the mountains, while the sea can be seen from the third floor. Each apartment has 4 bedrooms and 3 bathrooms, 2 of which are en suite, a kitchen with cooking island integrated into the bright living-dining room and a laundry room. The first floor apartments have private gardens, while the penthouses have a sun terrace and a private swimming pool with stunning sea views. All other apartments have two covered terraces accessible from the master bedroom and the living area. The apartments are equipped with indoor and outdoor marble floors, bathrooms with high quality Duravit or similar sanitaryware, Grohe or similar quality fittings, Miele appliances (including a wine fridge) and a KNX Zennio home automation system to control lights, blinds, air conditioning (Daikin) and underfloor heating with individual control per room. In addition, the complex offers a communal pool with solarium, communal gardens and a paddle tennis court. Each apartment has a parking space in the underground garage.

Tout sur l'emplacement

The lively vacation resort of Santa Ponsa - or "Santa Ponça", is a typical family resort in the southwest of Mallorca, just 25 km from the island's capital Palma and the airport. Only around 25 km from the island's capital Palma and the airport, Santa Ponsa is considered a place with many different leisure activities: sea lovers will get their money's worth here, as will those who want to go hiking or swimming. The town center consists of a beautiful landscape with forests and woods, and the town center is ideal for sunbathing! Santa Ponsa has two sandy beaches: the 560-metre-long Playa de Santa Ponsa, known as "the big beach", and the smaller Caló d'en Pallisser cove, known as "Playa pequeña" or "little beach". Santa Ponsa also has several excellent golf courses. Sailors also get their money's worth here, as the area has a beautiful natural harbor with a yacht club and excellent gastronomy! If you want to see the big superyachts, you can continue to the luxury yacht harbor Port Adriano, which is only 10 minutes away. There you will also find a wide selection of restaurants and bars! In addition, there are some of the most luxurious properties in Santa Ponsa.
