This 4-room apartment is located in the downtown of Budapest, in the immediate vicinity of the Danube. It is on the 3rd floor, with a large balcony, in an iconic building, which has one of the most beautiful staircases in Budapest. The sunny apartment was completely renovated this year, in which a huge living-dining-kitchen area, 3 bedrooms and 2 bathrooms were created with high-tech solutions. The custom-made equipment and built-in furniture are part of the purchase price. This apartment is a favorable option for those who prioritize the central location and the comfort of the city center. This neighborhood is the center of business and tourism: cafes, restaurants, bars, hotels, attractions and beautiful buildings attract not only tourists, but also investors. The design and construction of premium quality apartments in this part of Budapest is increasing every year.
