Villa with Pool For Sale in Kea This exceptional vacation residence, a ground-floor single-storey villa, offers optimal living comfort while adhering to ecological principles. Perfectly integrated into its natural surroundings, the villa features advanced technologies such as state-of-the-art thermal insulation and energy-efficient glazing, emphasizing its commitment to environmental sustainability. The villa's interior boasts a spacious living room that seamlessly opens onto the terrace, creating a harmonious blend of indoor and outdoor spaces. This design not only offers breathtaking views but also floods every corner of the house with natural light. The comprehensively equipped kitchen includes quality appliances, ensuring a pleasant cooking experience. Outside, the villa presents an oasis of relaxation. A 27.4 m² private pool invites you to cool off and unwind under the sun, while a pergola provides a shaded area perfect for outdoor leisure. The property also includes a private garage for added convenience, as well as a courtyard and garden, completing the package. More than just a vacation home, this villa combines modern comfort with an ecological approach, creating a peaceful haven where harmony with nature is paramount. High-quality features, an inviting outdoor space, and breathtaking views define this villa as a true sanctuary for unforgettable vacations.
