Az els? benyomás

Impressive property that has recently been completely renovated, meticulously designed, and respecting authentic Mallorcan architecture, while adding personal touches and luxury. This is a wonderful residential house currently used as a licensed vacation rental hotel for 16 guests. It features eight generously sized bedrooms, all with plenty of natural light, en-suite bathrooms, and each beautifully decorated with personalized touches. The ground floor houses a cozy entrance hall, a large fully furnished and equipped kitchen, a laundry room, a bedroom adapted for people with reduced mobility, a charming outdoor terrace, and a bathroom. On the first floor, there are three good-sized bedrooms, and on the second floor, the other three. All bedrooms have high-speed Wi-Fi connection. Crossing the outdoor courtyard, you'll access a large luxury double bedroom with an en-suite bathroom with a bathtub. Additionally, the property offers a convenient room for parking bicycles and a workshop equipped with tools for repairs. This fabulous Mediterranean gem is located just a few kilometers from the Sierra de Tramontana, serving as a starting point for cycling routes.
