Una prima impressione

Development of modern and contemporary style townhouses located in El Chaparral Golf. This is a gated residential complex with 80 three and four bedroom townhouses set in beautiful natural surroundings. In addition to the complex's gardens, leisure areas and outdoor communal swimming pool, it also has easy access to the adjacent exclusive sports and leisure centre with its paddle tennis courts, spa, gymnasium, etc. The properties are south and south-west facing to make the most of the light. Magnificent terraces where you can enjoy breathtaking sunsets. The kitchens have been designed as an integral part of the living area to create a spacious and bright living space for all day use. The specification reflects the quality you would expect from such a high quality project, with quartz worktops, built-in appliances and integrated LED lighting for warmth and sophistication. In the bathrooms, the elegance of the large format porcelain tiles reflects our overall commitment to quality and design. If you wish to tailor-make your home, the developer offers several options, including 3 kitchen furniture pack options, 2 flooring and kitchen options, wall paint options and wall cladding options in the bathroom.

Tutto sulla posizione

El Chaparral is situated halfway between La Cala de Mijas and Fuengirola, this charming small-scale resort is strongly associated with one of the area's most popular sports: golf. This green oasis in the heart of the Costa del Sol combines close contact with nature and some of the best dining and entertainment options in an area already famous for its bars, restaurants and leisure and sports facilities. A place to relax with family and friends and enjoy the wide variety of water sports and beach clubs that dot each of the coves. There is no better place to enjoy the best Mediterranean climate all year round.
