## Una prima impressione

Breathtaking coastal landscape in the first line of the sea in the heart of the Unesco World Heritage Tramuntana between Cala Tuent and Soller. Only a stone throw away from the famous canyon Sa Calobra, this 270 hectare pristine coastal landscape lies between Soller and Cala Tuent against the backdrop of the dramatic mountain range of the Tramuntana that runs through Mallorca on its north side from west to east. Right in front of the Puig Major, Majorcas highest mountain, the approx. 2 km long coastline of the land offer a breathtaking panorama alternating between steep cliffs, wooded hills and ridges and the deep blue sea as far as the horizon. This is Paradise in its purest form and one of Mallorcas best spots to connect to the universe! A unique opportunity in the truest sense of the word to call a piece of Mallorca's heart your own !
