Tutto sulla posizione

Sencelles, a picturesque village in the heart of Mallorca, is surrounded by rolling hills and lush fields and offers an idyllic setting for relaxed island life. It lies on a fertile plain surrounded by extensive vineyards, olive groves and almond orchards. The parish church of Sant Pere is a historical landmark whose origins date back to the 13th century. The narrow streets and traditional stone houses give the village an authentic charm that immediately captivates visitors. The weekly Wednesday market is a lively meeting place with fresh produce and handmade goods. Sencelles is known for its archaeological sites dating back to the Talayotic culture of the Bronze Age and is surrounded by several of these prehistoric remains, which bear witness to the region's long history of settlement. Sencelles is also a paradise for nature lovers and active vacationers and offers numerous hiking and cycling trails that lead through the picturesque landscape. The nearby Binissalem Nature Park is a popular destination for exploring and offers breathtaking views of the surrounding area. The central location of Sencelles, just 32 km from Palma, makes it an ideal base for excursions to the island's beaches and surrounding attractions. At the same time, the village offers a retreat away from the hustle and bustle of the tourist resorts.
