Tutto sulla posizione

Bardolino is one of the most beautiful and famous places on the Veneto side of Lake Garda. If you want to visit Bardolino and get to know its history and culture, you can spend a day in the picturesque old town. The houses of the historic center of Bardolino, built and inhabited by fishermen, were built in a herringbone pattern, one after the other, starting with the first house on the beach, which makes the center even more characteristic today. Tourists can find in Bardolino equipment for all water sports, sailing, rowing, windsurfing and for the most relaxing vacation sport: bathing in crystal clear waters and sunbathing on one of the beautiful beaches. Cycling and walking enthusiasts should not miss the lakeside promenade that connects Bardolino with Lazise on a pedestrian bike path of about 6 km. Local trattorias offer menus based on old recipes with fresh fish from the lake, accompanied by vegetables from the surrounding hills, dressed with local olive oil (the best in Italy, they say) and, above all, drunk with local wine: the fabulous Bardolino. The olive oil museum in nearby Cisano is also worth a visit. Lovers of hiking and biking should not miss the new Cammino di Bardolino, a hike through the vineyards of the region.
