LAYOUT

You enter the spacious complex through the communal main entrance. The house is located on the third and fourth floors and can be reached via the stairs or one of the two elevators in the complex.

The entrance with a very spacious hall with nice planter/inside garden is on the 3rd floor. At the entrance you will find the first bedroom and the high-end renovated modern bathroom with toilet, sink and walk-in shower.

The gigantic master bedroom is located at the front and has a French balcony. You reach the second luxurious bathroom with shower, sink and toilet via a spacious walk-in closet. This bathroom was also finished with high-end materials such as large Porcelanosa tiles and textured beton cire wall finishings. Washing machine and dryer are available in the hall via a practical cupboard wall. There is a spacious internal storage room with a connection for the washing machine.

On the 4th floor you will find the large and very bright living room/kitchen of approx. 65 m² with oak wooden floor.

The modern kitchen with a stone counter top is equipped with various luxurious built-in appliances.

Sliding doors on the kitchen side provide access to the first terrace, which faces west: a great outdoor space that really functions as an extension of your living room!

The second (roof) terrace can be reached from the 4th floor via a fixed staircase, with great views over the city.

The apartment was largely renovated in 2021, with the 3rd floor almost completely renovated and cleverly redesigned by a Mexican architect.

The two bathrooms have been completely renovated, the layout has been partly adjusted and a new floor has been installed. The kitchen on the fourth floor has been completely renovated.

The apartment is part of a large and active Owners' Association, which is professionally managed. There is a current MJOP available, the monthly service costs are € 364.60.

The icing on the cake is that the seller has bought off the leasehold perpetually!
