Uma primeira impressão

In the heart of Gries in Bolzano, in the prestigious Via Guncina, we offer for sale an exclusive penthouse on two levels with a charming terrace. It is located within a small and well-kept condominium and is located on the 3rd and 4th floor, accessible by elevator. The entrances are 2, one on each floor, and offer much freedom in the daily management of the property. The penthouse was refurbished between 2020 and 2023 and is now in excellent living condition and ready to accommodate a new family. Entering from the 3rd floor you are greeted by an entrance hall, which leads to a cozy living area, which due to its conformation offers an additional slightly separate space to be used as a study or relaxation area. The living area leads to a deep and livable loggia facing southwest. A practical storage room and a windowed bathroom with shower complete this first room of the house. The sleeping area, perfectly separated, offers two single and one double bedroom and an additional windowed bathroom with bathtub. Functional balconies can be accessed from all rooms. A staircase, embellished with wooden elements, leads to the upper floor where one is literally struck by the charm of this property. Indeed, on the fourth floor is an additional representative living area with an open kitchen and a large dining table. Sliding glass windows allow to flood this room with natural light and, above all, allow to exit to the 'charming terrace of approx. 51 sqm. The latter is the ideal place to spend magical family moments for many months of the year and will be a reason why friends and relatives will not want to leave your home. Important mention should be made of the integrated air conditioning system, independent heating and alarm, which are essential elements to provide a high level of comfort. In the basement can certainly not miss, to frame this beautiful penthouse, a cellar, a single garage of approx. 17 sqm and another garage, very large, of approx. 43 sqm, both motorized and included in the price. This living solution represents the perfect solution for our most demanding clientele, both local and international, looking for prestige and functionality.
