Tudo sobre a localização

Costermano sul Garda. Idyll in the hinterland with breathtaking lake view! The small community is located in the hinterland of Lake Garda, not far from Garda. Here you can spend your vacation in peace and quiet and yet you are not far from the lake. The four hamlets of Albarè, Castion Veronese, Costermano and Marciaga are idyllically distributed in the rolling hills, Monte Baldo and Monte Brione are close and the provincial capital Verona is also within easy reach. There are great lake views from the property and Costermano is a great place to live in nature. One has created many great hiking trails through vineyards and olive groves, which are very well signposted.
